

## FREDERICKSBURG GREEN PARTY MEETING MINUTES 4/25/2018

In attendance: Sean Imanian, Chair  
Gerald Anderson, Treasurer  
Chris Fink, Webmaster

1. Earth Day
  - 1.1. We had a successful booth at Fredericksburg's Earth Day celebration at Old Mill Park.
  - 1.2. We received 20 new contacts, 17 of which had legitimate, legible email addresses. CF has entered these into our database.
2. New Website
  - 2.1. CF has transferred our website to Drupal and will be sending out instructions to the FGP board.
3. Clean Gov. Act.
  - 3.1. Mr. Anderson will get incontact with the two city council members that are not running for reelection. He will see if they can sponsor our bill or can give advice on it.
  - 3.2. The other city council members, we will wait after their election to ask for sponsorship.
  - 3.3. Sean Imanian will reach out to Represent Us on how they passed their bill in Roanoke City.
4. Green Newspaper:
  - 4.1. CF added a template for the voting records.
  - 4.2. One option is to post our stories on the new website (as "Articles"), then whenever we have enough to publish a paper version, just grab the articles from the site.
5. Caroline County water crisis
  - 5.1. Sean Imanian will find out more info from the Free lance-Star and report back
  - 5.2. Mr. Anderson will look more into the water quality of the area.
  - 5.3. Chris Fink will look to see what the county supervisors are doing in their meetings on this issue.
6. Brisben Center homeless shelter budget cuts
  - 6.1. Sean Imanian will get in contact with them to see if the Greens can help in some ways.
7. Food program
  - 7.1. Sean Imanian will ask how the MWU students how they planned theirs
  - 7.2. Sean Imanian will see how much food we can get.
8. Green Picnic
  - 8.1. Mr. Anderson will work on getting a date for us at Old Mill Park.
  - 8.2. Sean Imanian will see how much food we can buy from his farmer contact.
  - 8.3. This can serve, in part, as a test of the Food Program logistics
9. General Business
  - 9.1. CF will post on Google Docs a spreadsheet for rating the above projects, so we can decide which ones to pursue.
