In future, divide & conquer list of existing F'burg food programs, to hand out flyers at.

- Need more permanent food & clothing donors.
- Stuff to remember: Flyers, FGP brochures, donation jar, trash bags, milk/creamer, sweet tea, microwave.
- After a couple of successful programs, time to solicit an article in the FLS.
- Assign program stations, e.g. food, clothing/books, FGP promo. Rotate regularly.
- Consider soliciting leftover veggies from Farmer's Markets the day before food programs. Could distribute not just at food program, but at other specified locations during the week, especially in food deserts. Could partner with Food Not Bombs or Hungry Harvest on this.

2. Green Book Group

- 10:30 am on food program weeks
- Need flyers for this program
- Every 2 weeks, have a documentary showing at local home.

3. **Spotsy Solar Power** : Research current status.

4. **FGP Domain name**: Decided to shorten to fgp.vagreenparty.org to be consistent with other GPVA locals, but keep old domain as a redirect for 1 year or until flyers/banners are updated, whichever comes first. CF ETA : 1/27/19.

5. **Meeting Minutes** : Still need minutes posted for November's meeting (SI).

6. **Speaker events**: Gerald has reserved the library theatre for April 7 (4pm-9pm) and July 14 (1pm-5:30pm). Need speakers. One possible speaker already identified, other could possibly be Sid Smith (GPVA Secretary). Best case would be Sid on July 14th if FGP is chosen to host Summer GPVA business meeting.

7. **Door-knocking Days for February** (Sean): One rural, one urban. Feb 11th 3pm and Feb 18th, 3pm.

8. **GPVA State business meeting** coming up Feb 10, 2pm via teleconference.

9. **Social Days** : Schedule hiking/trails, restaurant dates, etc.
