Present: Sean Imanian (Chair), Chris Fink (Webmaster), Gerald Anderson (Treasurer)

- 1 Candidacy of Gerald Anderson for HOD88
 - 1.1 Campaign greatly increased the number of speaking events, which have been posted to the vagreengreenparty.com calendar, and will be re-distributed among the membership.
 - 1.2 Among the events : 9/13/17 Debate on UMW Campus, 9/28/17 Forum at Snow Branch of CRRL Library, 10/3/17 League of Women Voters Forum, 10/16/17 Meet the Candidates at CRRL Main branch.
 - 1.3 Door-to-door canvassing should start soon, preferably Saturdays/Sundays. Check neighborhood rules first. Some ideal locations identified. Need to coordinate distribution of literature.
 - 1.4 Opposition Research / Debate Prep meeting 8/25/17, 7pm at Hyperion.
- 2 Membership Involvement : CF to divide membership list for cold-calling.
- 3 Meeting Minutes Updates on website: CF to update, CF to take minutes at meetings (for now).
- 4 Invitation from Dems for “Unity Day” Sept 16th, 11-4pm, but need more info. If this is unity against Trump/Republicans, then maybe. But if this is for unity among Dems, it's irrelevant to us and we're not interested.
- 5 Campaign Reform Project
 - 3.1 Aspects: Campaign Finance Reform, Financial Disclosure, & Voting System Reform
 - 3.2 How to work this into people's schedules and not conflict with HOD campaign? Perhaps Tuesdays/Thursdays.
 - 3.3 SI to look up & provide us with more info, links, & sample literature.

- Submitted by Chris Fink, FGP Coordinator
